The Still, located in heart of the iconic Mirage, is the ultimate man cave with a dedication to craft beer, cocktails and mouth-watering food. A sports junkie haven, The Still features 27 TVs and a comfortable 8,000 square foot environment perfect for cheering on your favorite team.

Aside from a bustling center bar which features over 50 craft beers, the centerpiece and the heartbeat of Still is Bud Bud's, a refurbished Airstream trailer that was found abandoned in the back hills of Tennessee by the Still clan and has been turned into a fully functioning kitchen that churns out acclaimed chef Brian Massie's unique spin on upscale bar food.

The Man Cave, our private room, seats up to 14 for a VIP viewing experience.
